

CURRICULUM VITAE

TIMOTHY RAYMOND MAGEE

NAME Timothy Raymond MAGEE

ADDRESS Hospital Royal Berkshire Hospital
London Road,
Reading,
Berkshire
RG1 5AN

Work 0118 9877773
Rooms 0118 9553467

DATE OF BIRTH 11 November 1959 Age 44

MARITAL STATUS Married

NATIONALITY British

QUALIFICATIONS

1983	MB ChB University of Bristol
1988	FRCS Edinburgh
1989	FRCS England
1996	MD University of Bristol

PRESENT APPOINTMENT

Consultant Surgeon
Royal Berkshire Hospital, Reading.

EDUCATION

SCHOOL

Grosvenor High School, Belfast.

MEDICAL SCHOOL

University of Bristol

PRIZES

Brook Scholarship 1976

Schering Travelling Fellowship 1992

Syme Professor
Royal College of Surgeons of Edinburgh, 1992.

Bard Scholarship 1992 (Runner Up)

Oxford Regional Audit Conference 1993.
Winning Paper

PREVIOUS APPOINTMENTS

August 1983 - January 1984

House Surgeon

Mr. H.J.O. White and Mr. C. Ackroyd
Southmead Hospital, Bristol.

February 1984 - July 1984

House Physician

Dr. R. White
Frenchay Hospital, Bristol.

August 1984 - July 1985

Anatomy Demonstrator

Professor B. Pickering,
University of Bristol.

August 1985 - January 1986

SHO Accident and Emergency

Drs Dave and Dove
University Hospital, Nottingham.

February 1986 - July 1986

SHO Orthopaedic Surgery

Mr. C. Colton
University Hospital, Nottingham.

SHO ROTATION - FRENCHAY AND SOUTHMEAD HOSPITALS

August 1986 - January 1987

SHO Neurosurgery

Mr. H. Griffith, Mr. B. Cummins,
Mr. H. Coakham and Mr. M. Torrens
Frenchay Hospital, Bristol.

February 1987 - July 1987

SHO General Surgery

Mr. H.J.O. White and Mr. D. Leaper
Southmead Hospital, Bristol.

August 1987 - January 1988

SHO Orthopaedic Surgery

Mr. C. Ackroyd, Mr. H. Griffiths and
Mr. G. Bannister
Southmead Hospital, Bristol.

February 1988 - July 1988

SHO General Surgery

Mr. R.E. May and Mr. R.N. Baird
Frenchay Hospital, Bristol.

CAREER REGISTRAR ROTATION IN GENERAL SURGERY

ROYAL DEVON & EXETER HOSPITAL (Number GS11 CR08)

August 1988 - May 1989

Registrar General Surgery

Mr. W.B. Campbell and Mr. M.J. Cooper
Vascular and upper gastro-intestinal surgery,
RD&E Hospital, Wonford.

June 1989 - January 1990

Registrar General Surgery

Mr. T. Irvin and Mr. M. Golby
Lower gastro-intestinal, urological surgery
RD&E Hospital, Wonford.

February 1990 - September 1990

Registrar General Surgery

Mr. A.J. Knox
General and endocrine surgery
RD&E Hospital, Heavitree.

VASCULAR RESEARCH FELLOW

(Career registrar number retained)

October 1990 - December 1992

Research Fellow
Honorary Surgical Registrar

Mr. M. Horrocks
Vascular Studies Unit
Bristol Royal Infirmary.

Tutor in Surgery
University of Bristol

January 1992 - December 1992

Research Fellow
Honorary Surgical Registrar

Professor M. Horrocks
Department of Surgery
Royal United Hospital, Bath.
(1:8 Duty Surgical Registrar)

LOCUM SENIOR REGISTRAR IN GENERAL SURGERY

January 1993 - February 1993

Surgical Senior Registrar

Mr. B.P. Heather and Mr. J.J. Earnshaw
Gloucester Royal Hospital
Gloucester.

OXFORD SENIOR REGISTRAR ROTATION IN GENERAL SURGERY

March 1993 - February 1994

Senior Registrar in General Surgery

Mr. R.B. Galland and Mr. D.P. Goodwin
General and vascular surgery
Royal Berkshire Hospital,
Reading.

March 1994 - January 1996

Senior Registrar in General Surgery

Professor P.J. Morris, Mr. J. Collin and
Miss L. Hands
Nuffield Department of Surgery
John Radcliffe Hospital,
Oxford.

Workshops / Courses during training

Principles and Practice of Vascular Surgery.
St. Thomas' Hospital, London.
October 1989

Femoro-distal Anastomosis Workshop
Musgrove Park Hospital, Taunton.
January 1992

Clinical practice and changing concepts in carotid surgery
Bristol Royal Infirmary.
February 1995

Management for Senior Registrars
Oxford Region
November 1995.

SOCIETIES

Vascular Surgical Society of Great Britain and Ireland

European Society for Vascular Surgery

European Association of Vascular Surgical Trainees

Association of Surgeons of Great Britain and Ireland

Royal Society of Medicine

Rouleaux Club President 1993-84 and 1994-95

HOSPITAL ACTIVITIES

Divisional Director for Surgery, Maternity and Paediatric Services (2001-)

Clinical Service Unit Director for General Surgery and Urology (1998 – 2001)

Resuscitation Committee (2000-)

Emergency Theatre Review Committee (2000-)

Blood Transfusion Committee (1999-)

Chairman Blood Transfusion Committee (2002-)

Surgical Gowns and Drapes Product Ownership Group (2000 – 2001)

Appointments Committees for Basic and Higher Surgical Trainees (1997 –)

Appointments Committees for Consultants (2001-)

Clinical Governance Board Committee (2001-)

NHS Modernisation Committee (extension of Executive Team) (2002-)

Theatre Users Group (2002-)

Cross Trust Procurement Committee (2002-)

EDUCATION

Tutor, Royal College of Surgeons (1996 – 1998).

Examiner 2nd MB University of Oxford (2001-)

Preparation of SHO's for MRCS and Registrars for FRCS (1996-)

Involvement in undergraduate or postgraduate teaching:

Regular teaching of medical students (1996-).

Lecturer and tutor on Basic Surgical Skills Course, Wexham Park (1998-)
and Welsh Vascular Anastomotic Workshop (1998-).

Tutor on Care of Critically Ill Surgical Patient Course (2002-)

Contribution to training of other staff:

Formal and informal lectures to General Practitioners, District and Practice Nurses, Chiropodists and Clinical Coders (1996-).

REGIONAL ACTIVITIES

Chairman of Oxford Regional Blood Transfusion Committee (2003-)

NATIONAL ACTIVITIES

Council of Section of Surgery, Royal Society of Medicine (2003-)

Examiner in FRCS and MRCS, Royal College of Surgeons of Edinburgh (2000-)

Member of National Blood Transfusion Committee (2003-)

Referee for the British Journal of Surgery (1998-), European Journal of Vascular and Endovascular Surgery (1999-), Journal of Public Health Medicine (2000-), Journal of the Royal College of Surgeons of Edinburgh(2000-)

Member of and presenter to: Vascular Surgical Society, Association of Surgeons, Society for Vascular Technologists, South West Vascular Surgeons, Surrey Vascular Group.

ADDITIONAL INFORMATION

Student Elective

Department of Surgery
Prince of Wales Hospital, Sydney, Australia
Spring 1983

NON-ACADEMIC INTERESTS

I also enjoy fly fishing for trout and salmon.

I enjoy good company, good food and good wine.

PUBLICATIONS

CHAPTERS

- 1. Magee, TR.** Acknowledged contributions to three chapters in Berkowitz KB, Moxham B, eds.
A Textbook of Head and Neck Anatomy. Wolfe, London, 1988.
- 2. Magee, TR.** Horrocks M. Shunting and patching qualified. Chapter in: Browse NL, Mansfield AO, Bishop CC, eds.
Carotid endarterectomy: A practical guide. Butterworth- Heinemann, London, 1992.

PAPERS

- 1. Kelly MJ, Magee TR.**
Towel clips versus silk sutures for securing operative drapes.
Surgical Research Communications 1987;1:199-201.
- 2. Campbell WB, Magee TR.**
Managing acute limb ischaemia . (Leading Article)
British Medical Journal 1989;299:526-527.
- 3. Magee TR, Campbell WB, Leopold PW.**
Vein marking through ultrasound coupling gel.
European Journal of Vascular Surgery 1990;4:491-492.
- 4. Davies AH, Magee TR, Jones DR, Hayward JK, Baird RN, Horrocks M.**
The value of duplex scanning and venous occlusion in the preoperative prediction of femoro-distal vein bypass graft diameter.
European Journal of Vascular Surgery 1991;5:633-636.
- 5. Magee TR, Niblett PG, Campbell WB.**
Reinforced vascular grafts: A comparative study.
European Journal of Vascular Surgery 1992;6:21-25.
- 6. Magee TR, Stanley PR, Al Mufti RA, Simpson L, Campbell WB.**
Should we palpate foot pulses?
Annals of the Royal College of Surgeons of England 1992;74:166-168.
- 7. Davies AH, Magee TR, Baird RN, Horrocks M.**
Praxilene as an alternative for the augmentation of femoro-distal bypass blood flow.
European Journal of Vascular Surgery 1992;6:299-301.
- 8. Magee TR, Earnshaw JJ, Cole SEA, Hayward JK, Baird RN, Horrocks M.**
A five year review of carotid endarterectomy in a vascular unit using a computerised audit system.
Annals of the Royal College of Surgeons of England 1992;74:430-433.
- 9. Davies AH, Cole SEA, Magee TR, Scott DJA, Baird RN, Horrocks M.**

The effect of diabetes mellitus on the outcome of angioplasty for lower limb ischaemia.
Diabetic Medicine 1992;9:480-481.

10. Davies AH, Magee TR, Hayward JK, Harris R, Baird RN, Horrocks M.
Non-invasive methods of measuring venous compliance.
Phlebology 1992;7:78-81.

11. Magee TR, Davies AH, Baird RN, Horrocks M.
A head box to protect transcranial Doppler transducers during carotid endarterectomy.
European Journal of Vascular Surgery 1992;6:563-564.

12. Davies AH, Magee TR, Baird RN, Horrocks M.
Prevention of malalignment during reversed and non-reversed femoro-distal bypass.
Annals of the Royal College of Surgeons of England 1992;74:434-435.

13. Davies AH, Magee TR, Parry R, Hayward JK, Murphy P, Cole SEA, Baird RN, Horrocks M.
Duplex ultrasonography and pulse generated run off in selecting claudicants for femoro-popliteal angioplasty.
British Journal of Surgery 1992;79:894-896.

14. Magee TR, Davies AH, Hayward JK, Baird RN, Horrocks M.
Transcranial Doppler evaluation of hyperfusion after carotid endarterectomy.
European Journal of Vascular Surgery 1994;8(1):104-107.

15. Magee TR, Scott DJA, Dunkley A, St. Johnston J, Campbell WB, Baird RN, Horrocks M.
Quality of life after surgery for abdominal aortic aneurysm.
British Journal of Surgery 1992;79:1014-1016.

16. Davies AH, Magee TR, Sheffield E, Baird RN, Horrocks M.
Vein compliance: A preoperative indicator of vein morphology and grafts at risk of developing stenoses.
British Journal of Surgery 1992;79:1019-1021.

17. Magee TR, Davies AH, Baird RN, Horrocks M.
Transcranial Doppler before and after carotid endarterectomy.
Journal of the Royal College of Surgeons of Edinburgh 1992;37:311-312.

South West Vascular Surgeons, Gloucester, February 1991.
- 3.** A simple scoring system to predict mortality in elderly surgical patients.
South West Surgeons, Jersey, May 1991.
- 4.** Doppler Ultrasound induced tinnitus.
Institute of Physical Sciences in Medicine, Exeter, September 1991.
- 5.** Evaluation of peripheral angioplasty using intra-arterial Doppler ultrasound.
Institute of Physical Sciences in Medicine, Exeter, September 1991.
- 6.** Bilateral transcranial Doppler in the preoperative assessment and preoperative monitoring of patients undergoing carotid endarterectomy.
Vascular Surgical Society of Great Britain and Ireland, Dublin, November, 1991.
- 7.** Bilateral transcranial Doppler during preoperative carotid compression in patients undergoing carotid endarterectomy.
British Medical Ultrasound Society, Bournemouth, December 1991.
- 8.** Auditory phenomena during transcranial Doppler sonography of the basilar artery.
British Medical Ultrasound Society, Bournemouth, December, 1991.

- 9.** Middle cerebral artery blood flow during carotid clamping.
South West Vascular Surgeons, Portsmouth, February 1992.
- 10.** Quality of life after grafting for aortic aneurysm.
South West Vascular Surgeons, Portsmouth, February 1992.
- 11.** The role of bilateral transcranial Doppler in the preoperative assessment and intraoperative monitoring of patients undergoing carotid endarterectomy.
6th Vascular Diagnosis Symposium, San Diego, February 1992.
- 12.** Pre-operative assessment of the pedal arch using pulse generated run-off (PGR) and subsequent femoro-distal graft outcome.
6th Vascular Diagnosis Symposium, San Diego, February 1992.
- 13.** Transcranial Doppler assessment of cerebral reperfusion after carotid endarterectomy.
Angiology Forum, Royal Society of Medicine, March 1992.
- 14.** Hyperperfusion after carotid endarterectomy: Changes in middle cerebral artery velocity.
Angiology Forum, Royal Society of Medicine, March 1992.
- 15.** Bilateral transcranial Doppler as an intraoperative monitor of shunt function in patients undergoing carotid endarterectomy.
Eurodop '92, Brighton, April 1992.
- 16.** Waveform analysis: Its application in vein graft surveillance.
Eurodop '92, Brighton, April 1992.
- 17.** Quality of life after surgery for abdominal aortic aneurysm.
Association of Surgeons of Great Britain and Ireland, Jersey, April 1992.
- 18.** The changes in middle cerebral artery velocity with carotid compression, clamping and correlation with stump pressure.
European Society for Surgical Research, Zaragoza, Spain, May 1992.
- 19.** Bilateral transcranial Doppler as an intraoperative monitor of cerebral perfusion during carotid endarterectomy.
European Society for Surgical Research, Zaragoza, Spain, May 1992.
- 20.** The effects of carotid clamping on middle cerebral artery velocity.
Joint Meeting of the Royal College of Surgeons of Edinburgh and the American College of Surgeons, Edinburgh, May 1992.
- 21.** Transcranial Doppler before, during and after carotid endarterectomy.
Joint Meeting of the Royal College of Surgeons of Edinburgh and the American College of Surgeons, Edinburgh, May 1992.
(Winning Paper - Syme Professorship)
- 22.** Percutaneous transluminal angioplasty in the treatment of restenosis after carotid endarterectomy.

Joint Meeting of the Association of Surgeons of Great Britain and Ireland and Trinity College, Dublin, September 1992.

23. Transcranial Doppler in carotid surgery.

North West Vascular Surgeons, Preston, September, 1992.

24. Treatment of restenosis after carotid endarterectomy with percutaneous transluminal angioplasty.

3rd International Symposium on Surgical Approach to Endovascular Techniques, Bordeaux, October 1992.

25. Transcranial Doppler in patients undergoing carotid endarterectomy.

South West Surgeons, Bath, October 1992.

26. Angioscopy: A new toy?

South West Surgeons, Bath, October 1992.

27. Colour flow duplex scanning at the completion of carotid endarterectomy.

South West Surgeons, Bath, October 1992.

28. Percutaneous transluminal angioplasty of restenosis after carotid endarterectomy.

Forum on Angiology, Royal Society of Medicine, London, November 1992.

29. The value of haemodynamic measurements during carotid endarterectomy.

Forum on Angiology, Royal Society of Medicine, London, November 1992.

30. Haemodynamic measurements during carotid endarterectomy.

Vascular Surgical Society of Great Britain and Ireland, London, November 1992.

31. Quality control in carotid endarterectomy: Intraoperative colour duplex scanning.

Vascular Surgical Society of Great Britain and Ireland, London, November 1992.

32. Internal carotid artery blood flow and middle cerebral artery velocity during carotid endarterectomy.

Bard Scholarship, London, November 1992. (Runner up)

33. The value of bilateral transcranial Doppler and intraoperative flow measurements during carotid endarterectomy.

British Medical Ultrasound Society, Blackpool, December 1992.

34. Emboli in the middle cerebral artery during carotid endarterectomy detected by transcranial Doppler.

British Medical Ultrasound Society, Blackpool, December, 1992.

35. Transcranial Doppler - A new toy?

South West Vascular Surgeons, Torbay, February 1993.

36. Intracranial cerebral circulation.

British Council Course: Doppler Ultrasound in Clinical Practice, Bath, October 1993.

37. A prospective audit of cholecystectomy in a single health district.

Oxford University and Regional Health Authority Audit Conference, November 1993.
(Winning Paper)

38. An audit of surgery for gall stones.

Royal Society of Medicine, MIA Prize Section, November 1993.

39. Transcranial Doppler.

Clinical practice and changing concepts in carotid surgery, Bristol, February 1995.
(Meadox Symposium)

40. An audit of theatre delay for general surgical emergencies.

Association of Surgeons of Great Britain and Ireland, London, June 1995.

41. Vascular surgery for the diabetic foot.

Feet First. Diabetic foot conference, Stoke Poges, April 1997.
